No charge is made for the use of the camping grounds. Parties may bring their own camping outfits. A limited number of tents and cots will be available at the tent and awning companies.

All campers will be required to occupy the regular camp grounds which are fenced off from the main portion of the grounds. Positively no camping will be permitted west of the camp ground fence or on the Fair Grounds proper.

Regular admission gates have been provided, one on Grand Avenue near the Tent and Awning Company Warehouses, one on street leading to camp grounds south of old Poultry Building, and on street leading into exhibitor's camp ground east of the Swine Barn.

Campers will be required to pay the regular admission fees when entering the main portion of the grounds through these gates.

Campers' return checks will be issued by the gatekeepers at the camp ground entrances to campers who wish to return to their tents for meals or rest during the day. These checks will admit campers to the main part of the fair grounds, at camp ground entrances only on the day issued. Any person attempting to abuse the camp ground return check privilege will be required to pay the regular admission fee, and will subject themselves to expulsion from the camp grounds.

No pass-out or return checks will be issued for the main outside gates. Campers who desire to visit the City during the day may leave the camp grounds through the camp ground exit gate. Pass-out return checks will be issued to campers so they may return through the camp ground exit gate. The road leading to this gate runs south to Dean Avenue from a point east of the Farm Bureau Headquarters.

Trailer Camp

Ample space is provided for a Trailer Camp south of the regular camp grounds. Electrical connections may be made and a nominal charge is made for such connections. A Trailer Camp headquarters is maintained where trailer campers are required to register. No house trailers are allowed outside the trailer camp area.

Pass-out checks to the main part of the Fair Grounds will be issued under the same rules as those for campers.

H. L. PIKE, WHITING
President Iowa State Fair

Public Bath House

For the convenience of the campers and house trailer occupants, a modern public bath house with hot and cold running water has been provided. It is located at the intersection of "A" Avenue and Fifth Street, across the street from the Farm Bureau camp headquarters. Competent attendants will be in charge. Soap and towels furnished. A reasonable fee will be charged to cover operating expense.

Bureau of Information

A bureau of information will be maintained by the management at the secretary's office in the administration building.

The Des Moines Chamber of Commerce will maintain a bureau of information in a booth on the south side of Grand Avenue between the Varied Industries Building and the Administration Building. Any information pertaining to the city, conditions of roads, etc., will be cheerfully furnished State Fair visitors.

Lost and Found

The Bureau of Information in the Secretary's office will also handle lost and found articles and inquiries.

Day Nursery

A Day Nursery will be maintained in the southwest wing of the Women and Children's Building, which will be open all day and up until 11:30 at night. Practical nurses will be in attendance to take care of and entertain the children. Mothers will be required to furnish food for their children. A reasonable fee will be charged for this service.

Women and Children's Building

The Women and Children's Building is a beautiful structure located on the hill east of the Stock Pavilion and Agricultural Building. The location is ideal, overlooking the main portion of the grounds and exhibit buildings.

A room is set aside for daily demonstrations in domestic science. There is also a large auditorium in which programs of interest to women are given daily.

The rest rooms are large, well ventilated and comfortably furnished. The spacious porches offer a resting place for hundreds of people.

Press Bureau

The Fair will maintain a press bureau in the Administration Building with a competent person in charge. Manifold copies of the awards in the live stock departments, daily programs, special orders and announcements, official decisions and all other matters of interest to the public will be furnished to the press and radio. Representatives of the press and radio, who may be assigned to or visit the Fair, are cordially invited to make this their headquarters and avail themselves of the facilities offered.

Emergency Hospital

An emergency hospital will be maintained in the southwest corner of the ground floor of the Women and Children's Building. Physicians and nurses will be in charge day and night. Services are rendered by the Polk County Chapter of the American Red Cross and management provides the hospital building and furnishings.

Check Rooms

Check rooms in charge of reliable persons will be located at the entrance of the auto parking grounds near the Old Mill, also at the refreshment stand in the Administration Building. Packages and clothing may be checked at a nominal fee.

Post Office

A substation of the Des Moines Post Office will be located on Grand Avenue, northeast of the Agricultural Building. The office will receive and distribute mail, sell stamps, postal cards and money orders.

Express

The express company's office will be found in a booth east of the north entrance to the Stock Pavilion. All express shipments for delivery to the grounds should be marked and charges prepaid to Des Moines. All express sent to individuals or firms in care of the secretary will be found at the express office. Free pickup or delivery of L.C.L. shipments to or from any point within the Fairgrounds.

Express shipments will be accepted at the Fairgrounds Railway Express office for forwarding to any destination either by rail or air. Express money orders and travelers cheques may also be cashed or purchased.

Telephones

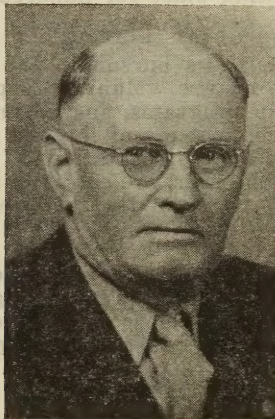

A complete telephone system is maintained on the grounds by the Northwestern Bell Telephone Company. Connections may be had to any part of the grounds, free; a toll fee of ten cents for down town connections is charged. The central office is located in the southeast corner room of the Educational Building and Grandstand.

Administration Offices

All the officers and superintendents of the Fair will have offices in the Administration Building.

General

The management will consider it a kindness if persons will report any mistreatment or extortion practiced by any employee of the Fair or concessionaire. They also ask for immediate information regarding the sale of intoxicating liquors.

"STATE FAIR REVUE OF 1953"

The music for this production is by the State Fair Revue Orchestra.

The Iowa State Fair Board is pleased to present to its patrons the "State Fair Revue of 1953." We believe this production will please everyone who enjoys good entertainment—a Barnes-Carruthers production.

Ensemble Episodes

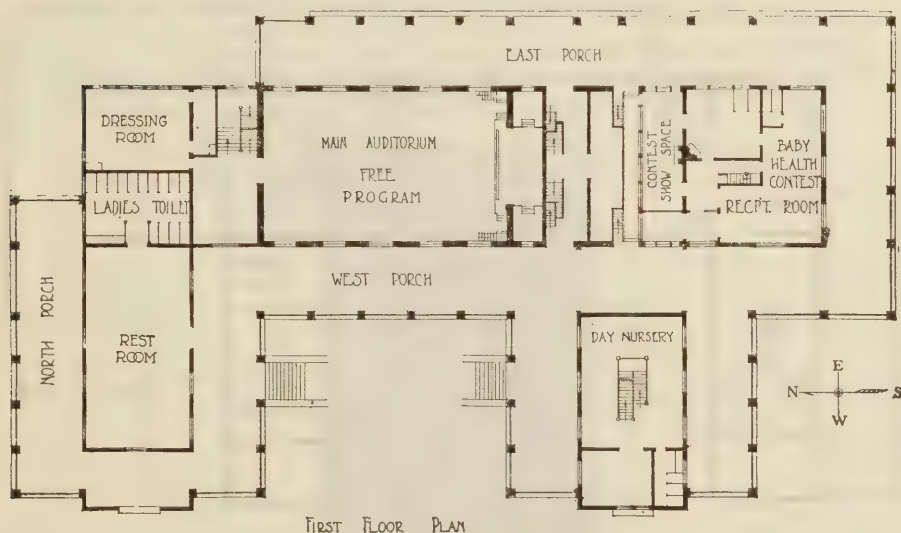

"COME TO THE FAIR"—A razzle dazzle mixed variety of singers, dancers, comedians and a gala assortment of fetching music will portray the gaiety of the Fair-goers.

This exciting spectacle will catch the moods, the laughter and astonishment of touring spectators, bringing fond memories of other days when another type of dancing was the rage.

A full stage of boys and girls will portray vivacious youth chasing madly about to inspect the magical wonders of many offerings to enjoy.

"AUTUMN TIME"—The number is designed to portray lovely flowers, directing all of their spirit to dancing, before winter comes to tuck them in for the long sleep.

Beauteous dancing girls depict the flowers, carrying huge chrysanthemums two feet in diameter with metal petals three feet long.

Women and Children's Building

The dancers are garbed in beautiful and brilliant costumes, bringing out all of the wonderful colors that only autumn can provide naturally. As flowers dance in the soft breeze, and pick up faster and faster as the winds grow stronger, so the music seems to follow the tempo of the wind with the pattering of many talented feet, keeping time with every whirling beat.

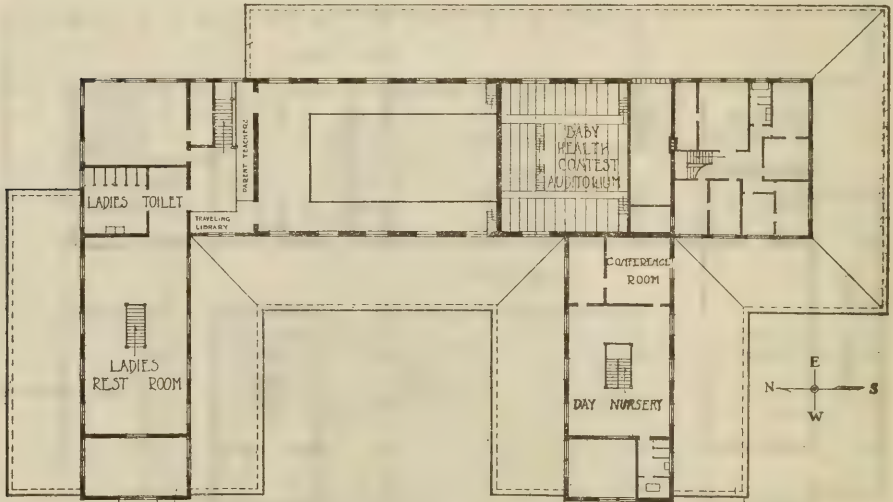

"THE MAGICAL WIRE"—Illusions and magic talents are important ingredients in the world of make-believe. In such an atmosphere, deeply imbedded is the world of entertainment. Here will be a scene of awe and splendor based on an illusion of beautiful girls wire walking, a scene so realistically appearing as to actually give its audience the full impression of an entire troupe on the silver strand.

The climax of this most unusual mystic wire number features **EVERS AND DOLOREZ**, true celebrities of the tight wire, who have won world-wide acclaim.

DOLOREZ, the only wire walker in the world who performs on her toes, will present the most breathtaking and intricate ballet performance ever presented on the wire. Her artistic grace and precision are executed in such perfection as to almost appear as an illusion, thus giving the theme a perfect effect.

"FANTASY OF MIRRORS"—In this number we have found supreme satisfaction in the fact that we have given birth to another new innovation that will surely take both audience and show business by storm. We have assigned our entire studio staff to long and hard labor in bringing to perfection the most unique musical mirror fantasy we believe ever conceived.

The offering will call for the utmost in brilliance of colorful costuming, choreography, music, lighting and scenery. The entire score will be a delightful novelty, bringing the costumes of the gala dancing girls to the fore.

Thrillcade

The name's the same and most of the skilled and scarred daredevils are still around, but the Aut Swenson Thrillcade will truly offer something new and different for thrill-hungering spectators.

There are 27 different stunts in the two-hour show, ranging from precision driving on the elevated ramps to deliberate crashes.

Motor polo—or mechanized mayhem, as the contestants have nicknamed it—pits Cuban and American mallet-swingers in hair-raising competition astride current model motorcycles.

One of the most spectacular and perilous stunts ever to be featured by any thrill show—Cresso and his Rocket Car. Cresso enters the small machine atop a towering ramp and with an explosive roar of rockets sends it plunging down the incline and out into space. There is a catching apparatus that finally checks the spinning Rocket Car. It is not a net, but is made of heavy webbing with reverse shocks which help absorb the terrific impact.

Vaudeville and circus acts will be presented in addition to the "Thrill Day" program.

"STATE FAIR REVUE OF 1953"

The music for this production is by the State Fair Revue Orchestra.

The Iowa State Fair Board is pleased to present to its patrons the "State Fair Revue of 1953." We believe this production will please everyone who enjoys good entertainment—a Barnes-Carruthers production.

Ensemble Episodes

"COME TO THE FAIR"—A razzle dazzle mixed variety of singers, dancers, comedians and a gala assortment of fetching music will portray the gaiety of the Fair-goers.

This exciting spectacle will catch the moods, the laughter and astonishment of touring spectators, bringing fond memories of other days when another type of dancing was the rage.

A full stage of boys and girls will portray vivacious youth chasing madly about to inspect the magical wonders of many offerings to enjoy.

"AUTUMN TIME"—The number is designed to portray lovely flowers, directing all of their spirit to dancing, before winter comes to tuck them in for the long sleep.

Beauteous dancing girls depict the flowers, carrying huge chrysanthemums two feet in diameter with metal petals three feet long.

The dancers are garbed in beautiful and brilliant costumes, bringing out all of the wonderful colors that only autumn can provide naturally. As flowers dance in the soft breeze, and pick up faster and faster as the winds grow stronger, so the music seems to follow the tempo of the wind with the pattering of many talented feet, keeping time with every whirling beat.

"THE MAGICAL WIRE"—Illusions and magic talents are important ingredients in the world of make-believe. In such an atmosphere, deeply imbedded is the world of entertainment.

Here will be a scene of awe and splendor based on an illusion of beautiful girls wire walking, a scene so realistically appearing as to actually give its audience the full impression of an entire troupe on the silver strand.

The climax of this most unusual mystic wire number features EVERS AND DOLOREZ, true celebrities of the tight wire, who have won world-wide acclaim.

DOLOREZ, the only wire walker in the world who performs on her toes, will present the most breathtaking and intricate ballet performance ever presented on the wire. Her artistic grace and precision are executed in such perfection as to almost appear as an illusion, thus giving the theme a perfect effect.

"FANTASY OF MIRRORS"—In this number we have found supreme satisfaction in the fact that we have given birth to another new innovation that will surely take both audience and show business by storm.

We have assigned our entire studio staff to long and hard labor in bringing to perfection the most unique musical mirror fantasy we believe ever conceived.

The offering will call for the utmost in brilliance of colorful costuming, choreography, music, lighting and scenery. The entire score will be a delightful novelty, bringing the costumes of the gala dancing girls to the fore.

All attire will be covered with mirrors that bring out hundreds of popping and twinkling stars amid varied musical tempos that must, without doubt, capture tremendous audience appeal.

To further highlight this spectacular number will be the magnificent voices of the WHITE GUARDS, the show's feature vocal group.

Grand Finale

Magnificent display of Thearle-Duffield fireworks.

JOIE CHITWOOD THRILL SHOW

Competition is the backbone of American fairs, and now those daredevils who smash and crash automobiles in the movies and with the thrill circuses will change their daredeviltry from exhibitionism to competition.

Among teams to compete will be the Chitwood Daredevils, Texas Tornadoes, Hollywood Thrill Drivers and Scottie Krashmen.

The daredevils will test their skill in slides from speeding automobiles, deliberate roll overs of stock automobiles, crashing motorcycles and cars through walls of fire. They will also, as teams and individuals, compete in exhibitions of skillful and precision driving.

In the crash roll over contests, the competitors draw lots for the various cars, so that no one performer can strengthen one car more than another.

The events are sanctioned by the International Stuntmen's Association of Hollywood, California, to which most of the top daredevils of both the movies and the auto stunt shows belong.

Vaudeville and circus acts will be presented in addition to the "thrill day" program.

SHORTHORNS—DIVISION NO. 26

Amount offered, open division (State Fair).....	\$3,725
Amount offered, open division (Shorthorn Assn.).....	745
Amount offered, Iowa classes (State Fair).....	300

Total amount offered\$4,770

The premiums shown herewith are offered jointly by this Fair and the American Shorthorn Breeders' Association, Chicago, Illinois. Five-sixths of the total offer is contributed by this Fair and one-sixth by the Association.

Every animal exhibited in the Shorthorn division must have a descriptive card placed above the stall, giving its name, registry number, color, age, sire and dam, also the name and address of the exhibitor.

All dates are inclusive.

No exhibitor shall be permitted to win more than two prizes in any one class.

The Iowa State Fair also offers \$300 on Shorthorn cattle that are owned and kept in Iowa. Awards will be made in accordance with awards in the open division.

Judging starts 8:00 a. m., Monday, August 31.

IOWA HORSES—DIVISION NO. 14

Total Amount Offered, \$1,945

All horses or ponies entered in Iowa classes must be the bona fide prop-
 erty of, and have been kept in Iowa, by residents of the state, at least thirty
 days previous to the time entries close, or if owned by a nonresident, must
 have been kept constantly in the state since June 1 of the current year,
 except as provided for in the following paragraph.

Leased or borrowed horses are not eligible. The absence of horses, en-
 tered in these classes, from the state during brief periods for the purpose of
 exhibiting at recognized shows will not be considered an infringement of
 this rule.

No stall rent will be charged for animals exhibited in the Wednesday show
 only, provided they are removed from the grounds by 7:00 a. m., Thursday.

WALLACES' FARMER *and* **Iowa Homestead**

IOWA'S LEADING FARM NEWSPAPER

extends to state fair visitors a cordial invitation to visit its headquarters in the east end of Varied Industries Building and to visit its large and attractive plant at 19th Street and Grand Avenue

We like to get better acquainted with our farm friends and to confer with them about matters of mutual interest. We like also to meet manufacturers and their representatives on the occasion of their visit to the state fair.

Our headquarters in Varied Industries Building are maintained from 8:00 A.M. to 6:00 P.M. Our plant at 19th Street and Grand Avenue, where nearly 250 people are employed, is open for inspection by visitors from 9:00 A.M. to 4:00 P.M. It is one of the largest and most complete printing establishments in the west, where you can see the largest farm paper printing press in the world. It is a real sight.
